

# GREENVALE BASKETBALL CLUB

Greenvale Basketball Club plays under the Broadmeadows Basketball Association together with other clubs in the area. The games are played on Saturday from 8.30am – 4pm. Usually the younger teams play in the mornings, progressing to the older age groups in the afternoon. Each game is made up of 2 20 minute halves.

Here at the Grizzlies, we are a completely volunteer based club. From the scorers, coaches, team managers to committee members; all volunteering their time and efforts to help our club run as smoothly and efficiently as possible.

It is expected that each team will provide their own coach, team manager and scorer for each game. The club is happy to provide support in these areas and help mentor and train members where possible. These positions don't require experience or ability (although both would be a bonus!!) but simply a willingness to learn, a love for the kids and a desire to be involved and help out.
